Seller will take every effort to guarantee that every puppy from My Rock Star Yorkies is in good health at the time of adoption. We will not ship a puppy until Seller is certain that the puppy is ready for the trip to your home and has passed a veterinary health inspection and is free from any illness (at least 8 weeks of age). The AKC papers, microchip papers (if applicable) and vaccination records will be sent along with your puppy along with a sample of puppy food.

Because we cannot control the exposure of the puppy after leaving us, your new puppy must be examined by a licensed veterinarian within 48 hours of receiving your puppy. When taking your puppy to the vet, don't allow its feet to touch anything unless it has been sterilized with bleach. If you choose NOT to do this, this contract is **VOID**.

We guarantee our puppies for 30 days against life-threatening infectious disease provided Buyer does not expose the puppy to any unvaccinated animals, or go to any public place before 10 days after the last vaccination was given. We do not guarantee against Giardia or Coccidia, which conditions are often stress-induced and easily treated. Seller warrants the health of the puppy for the first **twelve (12) months of life** against genetic hereditary life-threatening diseases involving the heart, liver and kidneys. If ever a replacement puppy is deemed necessary due to one of the above-listed life-threatening diseases, the replacement will be made for the same or less value of puppy, unless Buyer prefers to pay the difference for a more valuable puppy. Buyer must return the puppy along with all registration papers, immunization papers, microchip registration papers, etc, along with a letter from a licensed veterinarian stating the type of condition/illness that the puppy is exhibiting in order to determine if a replacement is to be made to Buyer. Should a death occur, due to an unknown cause, a necropsy must be performed by a licensed veterinarian and a copy of the report

forwarded to Seller for review by Seller's veterinarian before determining if a replacement is to be made. If our vet concurs, we will replace your puppy as soon as one is available.

There will be absolutely no cash refunds! All expenses are at **Buyer's expense** including the licensed veterinarian diagnosis and necropsy, if applicable, and the return shipping and shipping of a replacement puppy.

Puppies and small dogs are susceptible to hypoglycemia (low blood sugar), which can be brought on by a number of reasons such as not eating properly or frequently enough, playing too much, the stress of being moved to a new home or just being handled too much. Please watch your puppy closely and make sure it is eating regularly. Puppies can also go through high stress during moves to their new homes, changes in diet as well as too much handling by the new owners and can bring on parasites that can be dormant such as worms and ear mites. Every preventative effort has been made by Seller (wormings, shots and ear cleanings) to guard against these types of problems, but Buyer should be aware of them possibly occurring. Watch your puppy closely for runny and/or bloody stools.

These conditions are all treatable and do NOT warrant a return or exchange of said puppy.

Small puppies and dogs are very fragile and every precaution should be made in handling them. Their bones are tiny and they are easily injured. This contract is NOT applicable for accidental injury to the puppy. Seller does not guarantee against shipping mishap once the puppy is in the care of the airline. Insurance is provided in the shipping cost and any claims for damages while shipping shall be made by the Buyer directly to the airline.

While Seller will make a good faith effort to estimate the color and size of the puppy based on past litters and size of the parents, Seller does NOT and CANNOT guarantee size, color, temperament or fertility (including presence of testicles) of any puppy. We represent our puppies as beautiful, loving pets.

IN THE EVENT THAT THIS DOG IS MISTREATED, NEGLECTED, ABUSED IN ANY WAY, KEPT OUTSIDE IN EXTREME HEAT OR EXTREME COLD CONDITIONS OR KEPT ON WIRE FLOORING, SELLER WILL HAVE THE RIGHT TO REPOSSESS THE DOG IMMEDIATELY, ALONG WITH ALL AKC PAPERS AND HEALTH RECORDS. FURTHER, BUYER WILL BE RESPONSIBLE FOR ALL COSTS ASSOCIATED WITH SELLER REPOSSESSION ATTEMPTS.

ANY COURT COSTS AND ATTORNEY FEES NECESSARY TO ENFORCE THIS CONTRACT SHALL BE PAID BY BUYER.

THIS GUARANTEE APPLIES TO ORIGINAL OWNER ONLY, AND IS NOT TRANSFERRABLE.

By signing below, the parties agree to the terms as described above and acknowledge receipt and their understanding of the attached new puppy care instructions.
